Assembly Instructions

Thank you for your purchase.

1

1

Please follow the instructions below for correct assembly.

Safety and Care Advice

IMPORTANT - Please Read This Instruction Carefully Before Assembly.

- Check you have all the components and tools listed on page 3.
- Remove all settings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area, small parts could choke if swallowed.
- Make sure you have enough space to layout the parts before assembly.
- Do not stand or put weight on the product, this could cause damage.
- Assemble the item as close to it's intended position(in the same room) as possible.
- Assemble on a soft level surface to avoid damaging the unit.
- Parts of the assembly will be easier with 2 people.
- Do not use power drill/drivers for assembly, or the unit may be damaged.
- Dispose of all packaging carefully and responsibly.

CARE and MAINTENANCE

- Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.
- From time to time check that there are no loose screws on this unit.
- This product should not be discarded with household waste. Take to your local authority waste disposal center.

General Hints & Tips

Components and Tools

IMPORTANT - Please Check If You Have All The Components and Tools.

Note: The quantities below are the correct amount to complete the assembly. In some cases more pieces may be supplied than are required.
